

# BASQUE COUNTRY CYCLING

BCC is born from our passion for cycling and for our region.

In such a small area, the mixture of sensations that can be found in the Basque Country, could hardly be enjoyed in any other place. Our routes along the coast or the inland, linked to the Basque Gastronomy of the Michelin Stars, Pintxos or the small restaurants visited only by locals, will make the Basque Country Cycling Experience unique.

From the Pyrenees to the Rioja winery region finishing in the coast of San Sebastian.

#### **TYPICAL CIDER HOUSE**

Historically, the sagardotegis (cider houses) nestled in the hills around San Sebastián only sold one thing - Basque ciders are flatter than their European counterparts and less alcoholic, typically between five and six per cent. Then in the 1970s, gastronomic clubs on day trips to buy cider brought their own food and cooked it. This is the start of this great gastronomic experience.
